

STUDENT WEB REGISTRATION AGREEMENT

To be eligible for and invited to self-register through the web, a student must meet the following criteria:

- Must be currently enrolled.
- Must be in Good Academic Standing/2.0 or better GPA
- Must have completed all Learning Support course requirements.
- Or, be accepted as a transient student.

I _____ meet the above listed criteria to be eligible to self-register. I understand that by choosing to self-register or change my schedule on the web, I am accepting full responsibility for course selections and for my progress toward graduation. I further understand that I should meet with an advisor when questions or problems arise and that I am responsible for tuition and fees for courses that are not required by my major listed in Banner; financial aid will not cover these courses. Choosing to self-register does not exempt me from completing my required provisional classes. Students accepted under Provisional Status, must register for all required provisional courses after receiving permission from advisor.

Please sign and return to your advisor. Advisors will then submit to the Registrar's Office to file in students' permanent records.
