## The Puckett Center – SkillBridge Path Checklist

### Overview

**Purpose:** This guide walks you step-by-step through applying to Columbus Technical College (CTC) to complete the DoW approved Accelerated SkillBridge Program(s).

**About the Puckett Center & SkillBridge:** The Puckett Center is part of Columbus Technical College, a unit of the Technical College System of Georgia. Our SkillBridge programs are employer-aligned, accelerated training pathways designed for active-duty Service Members within their final 180 days of service. Participants earn college credit and industry-recognized credentials while preparing for immediate employment in high-demand career fields.

[Why should you choose a technical college SkillBridge over a traditional model?](#)

**Eligibility Requirements** (see MILPER Message 25-116, 3 APR 25):

Basic Qualifications: active duty | participate within 180 days of separation or retirement

Required to start on time: Complete Admissions and Financial Aid | COC Approval | Attend Training Daily

\*\*\*\*\* highly encouraged to ensure on time start and program alignment when feasible with your SkillBridge timeline (NET start and NLT end dates)

## The Puckett Center – SkillBridge Path Checklist

### Checklist

#### Process:

#### 1. Unit Coordination (see MILPER Message 25-116, 3 APR 25)

- Inform Supervisor, First Sergeant, and Commander (approving authority)
- Confirm eligibility (within 180 days of separation) may apply and seek approval from CTC prior to 180 day time period
- Complete TAP (if not already done)

#### 2. Connect with Columbus Technical College

- Submit inquiry via Puckett Center website (w/Application Waiver Code 'TCARD')
- Review SkillBridge-approved programs
- Identify program of interest - requires 40-125 days to complete (Planning considerations: program starts, your ETS/EAS + Terminal Leave + Out-processing time)

#### 3. Apply to Columbus Technical College

- Submit application [Apply Here](#)
- Submit Supporting Documents as a part of application to [admissions@columbustech.edu](mailto:admissions@columbustech.edu)

\*\*\*must come directly from the school to the email above

- High School Transcript
- College (any transcripts for previous, in progress or completed attendance)
  - List all schools attended – may receive transferable credit
- Joint Service Transcript (JST) – may receive transferable credit

#### 4. Financial Aid (Required – Must Complete)

##### Overview

*\*All SkillBridge programs must be funded. Enrollment is delayed without an approved funding source.*

You must complete the FAFSA to begin the funding process at: <https://studentaid.gov>

School code information and FAFSA year requirements will be provided during admissions counseling.

##### A. Lawful Presence Verification (MANDATORY)

You must prove lawful presence in the U.S. before tuition or aid can be processed.

- Submit Supporting Documents for Lawful Presence to [military@columbustech.edu](mailto:military@columbustech.edu)

Acceptable documents include:

- U.S. Passport
- Birth Certificate
- Permanent Resident Card
- Military ID or State ID (GA/AL)

**AND**

## Columbus Technical College (CTC) The Puckett Center – SkillBridge Path Checklist

- Military Orders
  - (must update with PTDY orders after acceptance into SkillBridge completed)

### B. Georgia Residency (Tuition Classification)

Determines if you pay in-state tuition.

You may qualify if:

- You are stationed in Georgia on active duty
- You have established legal residency in Georgia

**OR**

### C. Georgia Resident Waiver (Military)

If you are not a Georgia resident, this waiver allows you to still pay in-state tuition rates.

Eligible:

- Active-duty servicemembers stationed in Georgia
- Spouses of active-duty servicemembers
- Dependents of active-duty servicemembers

Required documentation:

- Military orders
- Military ID (or dependent ID)

*This is the primary pathway for most SkillBridge participants.*

### D. State Reciprocity Agreements

If you do not qualify under residency or military waiver:

You may qualify for in-state rates if:

- Your home state has a reciprocity agreement with Georgia

*Alabama Counties: Lee County | Chambers County | Russell County | Barbour County*

### E. Typical Funding Sources

Hope Career Grant | Hope Grant | Zell Miller Grant | Pell Grant | Workforce Innovation and Opportunity Act (WIOA) (if eligible) | TA (Warrant and below) | VA Education Benefits (optional and not required while on active duty) | Employer or philanthropic support, depending on pathway

Please note:

- FAFSA and WIOA funding are generally intended for students without a completed bachelor's degree. If you already hold a bachelor's degree, we will walk you through alternative funding options.
- *Tuition Assistance (available for enlisted/NCO/Warrant): Not authorized if courses begin within 60 days of separation or end less than 14 days prior to separation. Managed through your local education office.*
- Financial Aid must be approved by the drop day of the courses; if you are out of state financial aid is generally approved once PTDY orders are received to establish residency.

## Columbus Technical College (CTC) The Puckett Center – SkillBridge Path Checklist

- *If you already have a bachelor's or higher degree your only options for funding are utilizing TA (available to all but commissioned officers) utilizing your GI Bill (VR&E if already discharged)*

### 5. Final Financial Aid Checklist

- Submit financial aid application
- Upload lawful presence documents
- Submit military orders (for waiver)
- Verify tuition classification (in-state/waiver/reciprocity)
- \*Confirm funding is approved (note\* this final step occurs **after** you have registered via your Advisor for classes)

### 6. Admission & Acceptance

- Receive admission decision (Application Decision Letter) and Student ID# (starts with 910\*) available in Enrollment Portal and with Next Steps: <https://columbustech.my.site.com/apply>
- Begin speaking with Your Advisor (can be done virtually):
  - Tamara Hardnett, Advisor - Last Names A – E [thardnett@columbustech.edu](mailto:thardnett@columbustech.edu)
  - Nichole Marshall, Advisor - Last Names F – J [nmarshall@columbustech.edu](mailto:nmarshall@columbustech.edu)
  - Yolanda Strong, Advisor - Last Names K – O [ystrong@columbustech.edu](mailto:ystrong@columbustech.edu)
  - Sundy Douglas, Advisor - Last Names P – T [sdouglas@columbustech.edu](mailto:sdouglas@columbustech.edu)
  - Felicia Harris, Director - Last Names U – Z [fharris@columbustech.edu](mailto:fharris@columbustech.edu)
- Schedule New Student Orientation (encouraged, NOT required)
- Confirmation financial aid / funding is approved

The Puckett Center will follow up with an email containing the following items:

- Acceptance Letter (includes dates, location, program details)
- Training Plan (required for your unit)

### 7. Submit Packet to Unit for Approval

- Acceptance Letter from CTC
- Training Plan from CTC
- TAP completion
- Command request memo
- Leave/PTDY plan

## Columbus Technical College (CTC) The Puckett Center – SkillBridge Path Checklist

### 8. Commander Approval

- Receive approval to participate in SkillBridge
- Send SkillBridge approval to the Puckett Center - Puckett Center provides MOU w/ employer partner
- Send copy of PTDY Orders to  
[military@columbustech.edu](mailto:military@columbustech.edu) and [puckettcenter@columbustech.edu](mailto:puckettcenter@columbustech.edu)

### 9. Attend Training

- Maintain attendance
- Actively participate
- Complete coursework

#### Additional Information

Training Locations: Puckett Center | Columbus Technical College Main Campus

Training Hours: Typically between 7:30 AM - 5:00 PM (program dependent)

### 10. Employment Preparation (4 - 6 Weeks Before Completion)

- Attend **Talent Alignment Partner + (TAP+)** events *as available/desired* at the Puckett Center
- Apply for jobs
- Attend interviews
- Secure employment offer
- Apply for graduation

### 11. Graduate

- Complete program
- Receive **Technical Certificate of Credit (TCC)**
- Transition to civilian career aligned with your priorities and goals

#### Key Success Factors

- Start early (6+ months out recommended)
- Applying and securing Financial Aid are essential to successfully starting program on time
- Complete financial aid immediately after applying
- Maintain communication with CTC
