Columbus Technical College Hosts Successful Community Job Fair

Event Connects Job Seekers With Dozens of Local Employers

Columbus, GA — Columbus Technical College proudly hosted its **Community Job Fair** on **Wednesday, March 11, 2026** bringing together job seekers, students, and more than **25** participating employers from across the Chattahoochee Valley. The event provided attendees with opportunities to explore careers, network with industry professionals, and learn about in-demand skills in today's workforce.

The job fair featured employers representing a wide range of industries, including healthcare, manufacturing, public safety, business, logistics, and technology. Recruiters engaged with hundreds of participants throughout the day, sharing job openings, conducting on-the-spot screenings, and answering questions about training and credentialing needed for high-demand positions.

"We are thrilled by the turnout and the strong support from our employer partners," said **Ken Lockhart, Director of Recruitment and Campus Life**. "Events like this strengthen our connection to the community and support our mission of preparing a skilled and job-ready workforce."

Photos from the event are available and may be included in media coverage.
