Program Effectiveness Data

The following is the most current program effectiveness data. Our programmatic accreditation agency, the Joint Review Committee on Education in Radiologic Technology (JRCERT), defines and publishes this information. The information can be found directly on the [JRCERT webpage](#).

Credentialing Examination

The number of students who pass, on the first attempt, the American Registry of Radiologic Technologists (ARRT) certification examination, or an unrestricted state licensing examination, compared with the number of graduates who take the examination within six months of graduation. The five-year average benchmark established by the JRCERT is 75%.

Credentialing Examination Rates

Program year	Year	Number passed on first attempt within six months of graduation	Number attempted within six months of graduation	Percent passed
1	2021	13	14	93%
2	2022	13	14	93%
3	2023	14	15	93%
4	2024	14	16	88%
5	2025	12	13	93%

Program five-year average pass rate is 92 %.

66 students passed within six months of graduation.

72 students attempted the exam within six months of graduation.

Job Placement

The number of graduates employed in the radiologic sciences compared to the number of graduates actively seeking employment in the radiologic sciences within twelve months of graduating. The five-year average benchmark established by the JRCERT is 75%.

Job Placement Rates

Program year	Year	Number employed within 12 months of graduation	Number actively seeking employment within 12 months of graduation	Percent employed
1	2021	14	14	100%
2	2022	14	14	100%
3	2023	15	15	100%
4	2024	16	16	100%
5	2025	13	13	100%

Program five-year average employment rate is 100% %.

72 students were employed within 12 months of graduation.

72 students were actively seeking employment within 12 months of graduation.

Annual Program Completion Rate

The number of students who complete the program within the stated program length, excluding those students who leave the program for nonacademic reasons. The annual benchmark established by the program is 100%.

Program Completion Rate

Program year	Year	Number graduated	Number started the program	Percent completed
1	2025	13	15	100%

Annual completion rate is 100 %.
